**RE: ADOPTION OF ROAD NAME**  
**Parcels in Sec24 of 5N85W**

**DRAGLINE ROAD**

**RECITALS**

1. Road names and addresses on roads and buildable lots in unincorporated Routt County are to be assigned pursuant to the Routt County Requirements for Addressing (the "Addressing Requirements") adopted January 16, 1996, and revised September 27, 2011.
2. The intent of the Addressing Requirements states "To establish and maintain a system for the assignment, naming and identification of roads and numerical addresses for unincorporated Routt County which will improve the efficiency of locating a property by use of a unique street name and address."
3. According to the Addressing Requirements; every road existing, proposed, or constructed which provides, will provide, or is proposed to provide access to two or more buildable lots, as defined in the Routt County Zoning Resolution, and in unincorporated Routt County, shall be identified with a unique road name so as to clearly identify and distinguish such road from every other road in Routt County.
4. It has been determined by the Routt County GIS Department that the road naming process must be followed for a private road accessing parcels all in Sec24 of 5N85W, and described in the easement document as filed with the Routt County Clerk and Records Office at Reception #790746. The locations of the accessed lots are shown on the drawing attached hereto as Exhibit A.
5. The Routt County Board of County Commissioners held a public hearing in accordance with the Addressing Requirements for the purpose of assigning the new road name as described above.

**NOW THEREFORE BE IT RESOLVED** by the Routt County Board of County Commissioners that the road shown in Exhibit A, all in Sec24 of 5N85W, and described in the easement document as filed with the Routt County Clerk and Records Office at Reception #790746 shall be named DRAGLINE ROAD from its intersection of County Road 35, to its terminus as illustrated in Exhibit A.

**BE IT FURTHER RESOLVED**, that road sign bearing the name approved herein and addresses assigned to the dwellings shall be posted in accordance with the Routt County Requirements for Addressing.

**THIS RESOLUTION** is executed and effective this \_\_ day of \_\_\_\_, 2019.
