

Routt County Department of Environmental Health After-Action Process Survey

The purpose of this survey is to collect your feedback regarding permitting processes in Routt County and is intended to be taken after a Department of Environmental Health Program representative has provided assistance or conducted a regulatory visit at your facility. Your feedback will be anonymous unless you leave your contact information in the comments.

If you have a problem or concern about an inspection or any questions, please contact Scott Cowman, Director of Environmental Health at (970) 870-5588 (scowman@co.routt.us) so that it may be addressed. Please submit completed forms to Dan Weinheimer, Deputy County Manager (dweinheimer@co.routt.us).
